

Campaign Manager

Documentation on the Campaign Manager UI for managed and self-service use.

- [Activities](#)

Activities

In the sidebar you see the *Activities* icon. The icon will show a red dot ● when a notification is available in activities. The dot will appear when:

- A booking created by the user is incomplete, and the booking will start in 2 days or less
- A creative+booking submitted for approval by the user is rejected or unapproved
- A guaranteed campaign submitted for approval by the user is rejected or unapproved
